WORK EXPERIENCE

CodSoft.in **Feb 2024 - Mar 2024**

Web Devloper - Intern
During my internship at CodSoft, I had the opportunity to work on a variety of front-end projects, which helped me strengthen my web development skills and apply my theoretical knowledge to practical tasks. Some of the key projects I developed include:

- **Portfolio Page:** I designed and built a responsive personal portfolio website, showcasing my skills, projects, and contact information. Through this project, I learned about effective UI/UX design, HTML/CSS structuring, and optimizing performance for mobile responsiveness. I also gained experience in personal branding and presenting my work online.
- **Calculator Application**: I developed a functional web calculator using JavaScript. This project deepened my knowledge of DOM manipulation, event handling, and problem-solving through algorithms, giving me hands-on experience in creating interactive and user-friendly web applications.

Technical Club, G H Raisoni University **Dec 2022 - Present**

- **Collaboration on Projects:** Actively participated in club-led technical projects, contributing to various aspects like coding, testing, and debugging.
- **Problem-Solving:** Involved in brainstorming and implementing creative solutions to complex problems in areas such as software development, automation, and electronics.
- **Hands-on Experience:** Gained practical experience by working on real-world technical challenges like hackathons, coding competitions, and technical paper presentations.
- **Teamwork:** Worked closely with fellow members on technical events and competitions, fostering teamwork and collaboration in a technical environment.
